

PRESIDENT'S CORNER

My name is Mark Hudzik, and I have been appointed as the new President and CEO of InFirst.

I have more than 25 years of experience working in the financial services industry. I have served in a senior management role in almost all aspects of the credit union industry. I am looking forward to working with the InFirst team, getting to know its members, and investing in our local communities. My passion lies in the mission of 'Members First,' so you can expect to see InFirst continue to be heavily involved in serving our regions.

I am honored that the Board of Directors has entrusted me to lead this credit union and continue the goal of people helping people. I believe this is possible through the unique way that we collaborate to provide financial services to our members. I look forward to our many active contributions throughout VA, MD, and D.C.

Sincerely,

Mark K. Hudzik
President & CEO
